

REMARKS

Claims 13-16, 20-22, 30, 43-60 and 62-68 presently appear in this case. The present amendment is being made to clarify the language of claims 21 and 68. Please consider this supplemental amendment in conjunction with applicants' amendment of February 9, 2001.

It is submitted that all the claims now present in the case clearly define over the references of record and fully comply with 35 U.S.C. §112. Reconsideration and allowance are, therefore, earnestly solicited.

Respectfully submitted,
